

BERGO SPORTS FLOORING™

PROFESSIONAL ECO-FRIENDLY ALL-WEATHER COURTS

WHERE ACTIVITIES COME TO LIFE

**ECO FRIENDLY
SPORTS FLOORING**

Bergo Flooring stands as a pioneer, having introduced the world's first floor tile in 1972.

With this esteemed legacy, we take immense pride in being the chosen floor supplier for numerous federations, organizations, clubs, schools and municipalities, worldwide.

UNINSPIRING & DULL SURFACES DON'T ENCOURAGE TO EXERCISE AND PLAY...

Obstacles

Image of reality. Uninspiring dull surfaces don't encourage people to exercise.

Especially not children and youngsters. In the digital era with smartphones and tablets, we need to make it fun and alluring to become more active.

The solution

Attract children and young people to be more physically active.

Accessible and inspiring activity spaces that encourages all people to sport and play with no need for booked training times.

The effect

HEALTHIER and HAPPIER children, parents, school and community.

Sporting leads to:

- Better health and better school results.
- Less screentime and interaction with other people, contributes to better **INTEGRATION** and **SOCIALIZING**.
- Better interaction between girl and boy, young and old, different socio-economic backgrounds.

**COLORFUL COURTS ENCOURAGE
PLAY, MOVEMENT & SOCIALIZATION.**

WISH - an environmentally sustainable solution from Bergo that contributes to better health and integration, worldwide.

BERGO SPORTS FLOOR QUICKLY TRANSFORMS ANY FACILITY TO A SPORTS HALL

HEALTHIER AND HAPPIER PEOPLE!

Uppsala Summer Zone

Bergo Sports Flooring transforms any dull area to an attractive alluring sports surface!

An impressive facility that Uppsala municipality offers its residents with several attractive Bergo Sports Courts at Uppsala Summer Zone.

ONE FLOOR – MANY POSSIBILITIES!

FAST, ECONOMICAL SOLUTION

Bergo Sports Flooring is easy to lay and can be placed on an existing surface without fasteners such as glue, screws or nails.

— Asphalt

— Concrete

SUBFLOOR

Concrete or asphalt as sub ground is recommended, but Bergo Sports Flooring can also be installed on hard compressed sand / stone powder.

Bergo Geotextile
Hard compressed
stone powder 3 cm

Macadam 10 - 32 mm

Macadam 32-63 mm

Drainage Pipe

QUICK INSTALLATION

Bergo Sports Flooring can as an option be supplied as pre-assembled sheets or/and as single tiles, which means that the floor can be laid very quickly.

We offer complete systems including court markings, etc. Contact us for more details.

MINIMAL MAINTENANCE

BERGO requires virtually no maintenance. Normal floor care such as occasional wet cleaning, vacuuming and/ or power hosing is usually all that is needed. The flooring system is without doubt a cost saving alternative to high maintenance floors/coatings.

WE CARE ABOUT PEOPLE AND PLANET

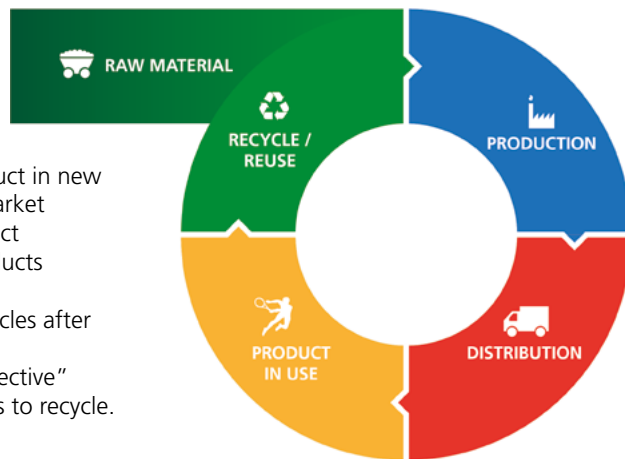

Raw material

- Clean, non-hazardous materials* - No Bisphenols, No Phthalates/softeners
- Natural color pigments
- 100% recyclable material

*Our Raw material is actually so good, that it is approved to be in direct contact with food (FDA-approved).
 *To make sure our products are as good as we claim, we let the Governmental controlled Swedish Chemicals Agency review us and our products.

Recycle / Reuse

- Reuse the present product in new locations / 2nd hand market
- 100% Recyclable product = material for new products = circular economy
- Leaves no residues/particles after removal
- "Cradle to cradle-perspective"
- we will help customers to recycle.

Product in use

- No emissions/migrating microplastics during use
- Long lifetime
- Up to 15 years warranty
- Basically no need for added products/chemicals/glue, etc. for the installation

Production

- No harmful emissions during the process
- Electricity from clean energy sources, no coal/oil
- Great working environment:
 - Fair salaries
 - Code of conduct
 - Union membership is encouraged
 - Proudly made in Sweden

Distribution

- Low weight, stackable product = efficient transportation
- All packaging materials are 100% recyclable

We are proud of being awarded by the Swedish Crown Princess for our environmental work!

ECO FRIENDLY SPORTS FLOORING

www.bergoflooring.com

**PROUDLY MADE
IN SWEDEN**

THIS IS BERGO

Bergo is the original since 1972 and with over 50 years of experience, Bergo Flooring is the world leader in multi-functional floor tiles. All production is proudly made in Sweden with the highest quality.

WHAT WE DO

We make ECO-friendly, award-winning floor tiles specially developed for various applications within five different business areas: HOME, PUBLIC, EVENT, SPORT & MARINE.

WHY CHOOSE BERGO

Bergo is pure, functional design. A Bergo floor solves many problems thanks to the ventilating and flexible design and is particularly suitable for installations on damp surfaces, but also on uneven subfloors. Our products are available in a wide range of colors, harmoniously coordinated.
